**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not appreciate the threat to eliminate broadband competition. I have had a better and faster internet service by using Sonic. Unlike AT&T, Sonic is giving people in my neighborhood a better deal than AT&T or any other major company.

I am currently pursuing my degree in engineering. It is very important to have reliable and good internet service at home. When I had AT&T, the fastest they would offer my location was 1.5GB! That is unacceptable. It was very frustrating for me to go home and not be able to use the internet. Please, allow for more competition.
